2. Verifying that the records of the County Treasury Division and the Auditor-Controller Division are reconciled pursuant to Section 26905.
3. Verifying the amount and type of assets in the County Treasury exist and are accurately reported.
4. Providing a report to the Board of Supervisors, which is also filed with the Clerk of the Board.

The Internal Audit Division, the Assistant ACTTC responsible for the Auditor-Controller functions, as well as the Assistant ACTTC responsible for the Treasury and Investment functions covered by this audit, report to the elected ACTTC. Except for conducting this review, the Internal Audit Division has no other responsibilities or involvement in the management or performance of the Treasury's investment functions.
