### 3.2 Definitions

Approved Leave Of Absence: Any paid or unpaid absence from work that has been approved by the employee's Department Head.

Base Hourly Rate: The base hourly rate shall be the hourly rate corresponding to the salary step in the salary range to which the employee is assigned.

Bi-Weekly Pay Period: Fourteen (14) consecutive calendar days which begin on a Tuesday and end with the second Monday thereafter.

Break In Service: A break in employment from the County such as a termination or resignation. A break in service does not occur because an employee is on an unpaid status.

Calendar Year: January 1<sup>st</sup> through December 31<sup>st</sup>.

Compensatory Time: Time off with pay at the applicable hourly rate to which an employee is entitled, as provided for in this Memorandum, instead of cash compensation.

County: The County of Sonoma, any of its organizational units or boards and commissions, as administratively determined by the County; may include Department Heads, Board of Supervisors, Chief Administrative Officer or a supervisor.

Department Head: The Chief Probation Officer, District Attorney, Sheriff Coroner, Director of Human Services, Director of Fire/Emergency Services, Director of Regional Parks, or their designee.

Emergency Operations: The performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

Employee: Any person legally employed by the County and a member of the Bargaining Unit represented by the Association.

Employee Full-Time: An employee who is employed in an allocated position which is regularly scheduled for eighty (80) hours of work in each pay period.

Employee Part-Time: An employee who is employed in an allocated position which requires work each pay period, but less than that required of a full-time employee.

Extra Help Employees: As defined in the Civil Service Rules and not represented by this Bargaining Unit.

Flex-Time Work Schedule: A non-regular work schedule with or without a consistent pattern as to the number of work hours per day or week, but an arrangement whereby the employee is obligated to perform work and be responsible for flexing the hours of his/her own work schedule. Employees assigned to a flex-time work schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law.

Hours Worked: All time spent by the employee while the employee is engaged in duties or activities required by the County and pursued necessarily and primarily for the benefit of the County. For the non-exempt employee, hours worked shall also include all hours that the County knows or has reason to know that work is being performed.

Non-Exempt Employee: An employee designated by the County to be covered by the provisions of the Fair Labor Standards Act.

Paid status: Whenever an employee is at work, absent on a paid holiday, absent on leave with pay, or absent on authorized compensatory time off.

Probationary Employee: An employee who is serving a probationary period as provided in the Civil Service Rules.

Probationary Period: A period which is used for the adjustment and evaluation of a newly appointed or reassigned employee as provided for in the Civil Service Rules.

Regular Rate of Pay: Defined in the Fair Labor Standards Act and used for computing statutory overtime for the non-exempt employee. It is calculated by taking the employee's base hourly rate times the number of hours worked in a given work period plus the total of all standby compensation and any special assignment premiums due to the employee in the work period divided by the number of hours worked in the work period.

Regular Work Period: The determination by the County of the fixed regularly recurring work period used for the determination of statutory overtime. For non-sworn, non-exempt employees the regular work period is seven consecutive days which currently begins at 12:01 a.m. Tuesday morning. For sworn, non-exempt employees the regular work period is currently fourteen (14) consecutive days which coincides with the County's bi-weekly pay period.

Regular Work Schedule: The determination by the County of an employee's specific work days, work weeks, work periods, and work shifts, established on a regular, ongoing basis.

Similarly, each step of the salary scale shall be expressed in cents per hour.

Statutory Overtime: Overtime that is required by FLSA. Currently, for the non-sworn, non-exempt employee it is all hours worked in excess of 40 in a regular 7-day work period. For the sworn, non-exempt employee, it is all hours worked in excess of 86 in a regular 14-day work period.

Prior to posting, all material shall be plainly and legibly initialed by an authorized representative of the Association.

#### 5.2 Communications

The County's interdepartmental messenger service may be used for individual business-oriented communication between employees who are represented by the Association and between the paid staff of the Association and such employees, provided that paid staff of the Association shall pick up and deliver all written communications outside the County's normal distribution route. 5.7 Time for Association Activities

The County and the Association agree to the primary principle that Association activities will normally be carried on outside of employee working hours. It is further recognized that there are reasonable limited deviations from this policy such as posting of Association notices and distribution of information which do not require substantial amounts of time. Where such activities cannot reasonably be performed except during scheduled working hours, and where such activities are performed without disruption of employee work performance, they are authorized and may be done without loss of pay to the employees involved.

5.8 Paid Leave "Pool"

c. Denial of Leave Requests

The County shall not unreasonably deny a request for paid Association business leave or unpaid leave, vacation and/or compensatory time off for Association business unless the County determines the number of Association representatives requesting time off for Association business would create an undue hardship on operational effectiveness, including excessive overtime costs to replace the absent Association representative(s). #### **14.1 Application**

This Article is intended only as a basis for outlining standards for hours of work, work schedules and a basis for calculating overtime payments. Hours specified under Section 14.2, Types of Employment, indicate a commitment by the County to the normal maximum hours each employee is to be regularly scheduled, as long as there is sufficient work.

#### **14.2 Types of Employment**

**Full Time:** An allocated position which is regularly scheduled for eighty (80) hours of work in a bi-weekly pay period.

**Part Time:** An allocated position which is regularly scheduled for less than eighty (80) hours of work in a bi-weekly pay period.

**Extra Help:** A non-allocated assignment of duties which is defined in the Civil Service Rules.

#### **14.3 Work Schedules**

The County reserves the right to establish and modify work schedules consistent with this Memorandum.

#### **14.4 Flex-Time Schedule**

The County reserves the right to utilize a flex-time schedule. Employees assigned to a flex-time schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law. The County reserves the

right to discontinue the flex-time schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department.

#### 14.5 Posting of Work Schedules

For the convenience of employees, work schedules will be posted in advance.

#### 14.6 Work Schedule Change

The County reserves the right to establish and modify individual work schedules. Except in cases where emergency operations require less notice or an employee requests a schedule change, a notice of change in an individual's work schedule arising from other than transfer, promotion, or for light duty accommodation shall be given to the affected employee not less than seven (7) calendar days prior to the effective date of the schedule change. Notice shall include email, written notice, or posted schedule. Failure to give the seven (7) day notice (the first day being the day after notification) to a full-time employee shall entitle the affected employee to overtime compensation for all hours actually worked on the new schedule that vary from the employee's previous regular work schedule until seven (7) calendar days notice is given. The County shall not ask employees to waive the seven days' notice.

If any full-time employee has been given seven (7) calendar days advance notice of a shift change and the shift change results in the employee doubling back to work the new shift after leaving the work site, all hours worked on the new shift within the employee's same work day as the former shift will be paid at the employee's base rate, not at overtime, except as otherwise required by law. Part-time employees shall not be paid overtime for changes in schedule unless it results in an employee working over a normal work shift (8 or 10 or more hours) in a regular work day or over eighty (80) hours in a pay period. The term "emergency operations" shall be construed to mean the performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

#### 14.7 Statutory Overtime for the Non-Exempt Employee

Overtime for the non-exempt employee is divided into statutory overtime and non-statutory overtime. Statutory overtime is overtime that is required by law. Currently, for the *non-sworn, non-exempt employee* it is defined as all hours worked in excess of forty (40) hours in a regular 7-day work period. Statutory overtime for the *sworn, non-exempt employee* is defined as all hours worked in excess of eighty-six (86) hours in a 14-day work period (which currently coincides with the pay period).

#### 14.8 Non-Statutory Overtime

Non-statutory overtime for the *non-sworn, non-exempt employee* is defined as hours in paid status, except sick leave, in excess of forty (40) hours in a 7-day work period. For the *sworn, non-exempt employee* and for the *exempt employee*, non-statutory overtime

is defined as hours in paid status, except sick leave, in excess of eighty (80) in a regular 14-day work period. Non-statutory overtime for all employees is also defined as hours in paid status, except sick leave, in excess of the normal full-time daily work shift established by the Department Head or any other circumstance except Section 14.6 where overtime pay is provided in this Memorandum.

Non-statutory overtime, as described above, will include sick leave hours for employees subject to mandatory overtime in excess of 20 hours per month, including block training, for two consecutive months prior to activation of this rule. For purposes of this Section, "mandatory overtime" refers to a monthly administratively established number of hours for which employees are required to sign up.

In the event an Emergency schedule change results in mandatory overtime falling below 20 hours (including block training), inclusion of sick leave in the non-statutory overtime calculation will be subject to meet and confer.

#### 14.9 Assignment of Overtime

A Department Head may require and authorize an employee to work overtime if such overtime is essential to the continuing efficient operation of the department in which the employee works. No employee shall work overtime unless authorized by the employee's designated supervisor.

#### 14.10 Overtime Earned

Overtime shall be earned at the rate of one and one half (1-1/2) hours for each one (1) hour of overtime worked.

#### 14.11 Overtime Compensation

- a Exempt employees shall be compensated for accrued overtime either in cash at the employee's base hourly rate or as compensatory time off. Non-exempt employees shall first be compensated for statutory overtime in cash at the employee's regular rate of pay. Additional overtime earned by the non-exempt employee shall be compensated either in cash at the employee's base hourly rate or as compensatory time off. Employees assigned to overtime shall make an irrevocable choice whether to be compensated in cash or in one of two options of compensatory time banks for each day overtime is earned. The option referred to as Bank One will be for compensatory time hours that can be cashed out throughout the year, used for time off and will have a mandatory cash out at year end to be tax compliant. Bank One shall have a cap of 120 hours. The option referred to as Bank Two can be used to accrue hours that may only be used for time off or cashed upon separation of employment only. Bank two shall have a cap of 60 hours. When compensatory time banks are full, the department will compensate the employee in cash for any additional overtime worked.
- b Notwithstanding the language in Section 14.11.a above, the Department Head may require overtime worked to relieve compensatory time off to be paid in cash.

14.12 Approval for Compensatory Time Off

No employee shall take compensatory time off without prior approval of the employee's Department Head. The Department Head shall attempt to schedule such time off at the time agreeable to the employee.

14.13 Compensatory Time Payment at Separation

Each employee who is separated from County service shall be entitled to payment for accrued compensatory time at the employee's base hourly rate at the time of the employee's separation.

14.14 Half-Time Pay Provision

If overtime compensation causes an employee's total regular hours in a pay period to be less than the employee's ongoing schedule then the overtime hours shall be compensated at straight time and the employee shall receive half-time compensation at the base hourly rate in cash or in compensatory time off, in accordance with Section 14.11.

14.15 Overtime Not Cumulative

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one overtime condition in this Memorandum may apply.

14.16 Non-Applicability of FLSA

In the event FLSA is rendered inapplicable to the County, either by legislative or judicial action, then the County shall, from the effective date of such action, consider all overtime as non-statutory and assign all employees to a fourteen-day (14) regular work period.

14.17 Shift Bidding – Detention

- a The County will maintain the existing shift bidding policy during the term of this agreement. Association grievances concerning the interpretation, application or alleged violation of Section 14.17.a. are subject to the grievance procedure under Article 30 of this MOU.
- b Any individual grievance concerning the interpretation, application or alleged violation of the shift bidding policy shall be subject only to the Departmental Grievance Procedure as set forth in this MOU; and any such individual grievance is hereby expressly excluded from the Grievance Procedure as set forth in Article 30 of this MOU.

#### 15.5 Phone Work Compensation

Compensation for such work shall be a minimum of one (1) hour of pay for any and all telephone calls received or made within that one (1) hour period. In the event a later telephone call is received after the prior one (1) hour of telephone work time, and the call required the employee to again resolve work related problems by telephone, the employee shall be paid for an additional one (1) hour of pay for all telephone calls received within that next hour.

If an employee is on an unpaid absence or goes on leave without pay, either of which reduces the employee's time in paid status to less than fifty percent (50%) of the employee's allocated full-time equivalent (FTE) in a pay period, the County will cease to pay its normal benefit contributions. If an employee is on an unpaid absence or goes on leave without pay, either of which reduces the employee's time in paid status to not less than fifty percent (50%) of the employee's allocated full-time equivalent (FTE) in a pay period, the County will continue to pay its normal benefit contributions. If an employee does not qualify for continued health benefits under Section 18.6 (Family Care and Medical Leave Under FMLA and CFRA) or Section 18.6.1 (Medical or Pregnancy Disability Leave) beginning the first day of the month following the pay period which the employee had pay status less than 50% of the their allocated full-

Beginning with the fourteenth (14<sup>th</sup>) pay period, the employee will be entitled to continue coverage through COBRA Continuation of Coverage and is responsible for making a timely election and paying COBRA premiums by the due date. Prior to the exhaustion of the thirteenth (13<sup>th</sup>) pay period, the County will provide reasonable advance notice of the employee's obligations regarding the opportunity to continue employee-paid benefits.

An employee who returns to work from medical or pregnancy disability leave without pay prior to the exhaustion of the thirteen (13) pay periods of entitlement under this Section (18.6.1) shall not have the thirteen (13) pay period entitlement reduced for any pay period in which the employee is in paid status for at least fifty percent (50%) of the employee's allocated full time equivalent as specified in this Section 18.6.1 (Medical/Pregnancy Disability Leave). If the employee returns to medical or pregnancy disability leave without pay for the same condition, the thirteen (13) pay period time frame will continue where it left off and will be reduced only for those pay periods when the employee's paid status hours fall below fifty percent (50%) of the allocated full-time equivalent.

The County's thirteen (13) pay period leave without pay benefit entitlement shall run concurrent with the Family Medical Leave Act (FMLA), California Family Rights Act (CFRA), and California Pregnancy Disability Leave (CPDL).

The employee's entitlement under COBRA law begins when the employee is no longer eligible for a County contribution toward medical benefits. When the employee returns to at least fifty percent (50%) allocated full time equivalent in paid status eligibility for a County contribution toward health benefits is regained. Benefit coverage begins the first of the following month once a completed and signed Employee Benefits Enrollment/Change form is received by the Human Resources Benefits Unit within 31-days of the return from leave.

Extra Help sick leave hours are not eligible this provision.

22.8 Family Care & Medical Leave

22.8.1 Each eligible employee is entitled to family care and medical leave as provided by the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), as amended. The leaves under FMLA and CFRA will run concurrently to the extent permitted by law.

22.8.2 FMLA/CFRA Eligibility

To be eligible for family care and medical leave, on the date on which leave is to begin, a full-time or part-time employee must have been employed by the County for at least twelve (12) months, which need not be consecutive, and have actually worked at least 1,250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

22.8.3 Family Care and Medical Leave Entitlement

Subject to the provisions of the this MOU, County policy, and State and Federal law, including the federal FMLA and the CFRA, an eligible employee is entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for any one or more, of the following reasons:

22.8.3.1 The birth of a child and to care for the newborn child (FMLA and CFRA);

- 22.8.3.2 The placement with the employee of a child for adoption or foster care and care for the newly placed child (FMLA and CFRA);
- 22.8.3.3 To care for the employee's child, parent, spouse, or domestic partner (CFRA only) who has a serious health condition. (Child is defined as biological, adopted, or foster child, stepchild, legal ward, or child of a person standing in loco parentis who is under 18 years of age or an adult dependent child. Parent is defined as biological, foster or adoptive parent, stepparent, or legal guardian. Parent does not include a parent-in-law under this provision.)
- 22.8.3.4 Because of an employee's own serious health condition that makes the employee unable to perform the functions of the employee's position, except for disability on account of pregnancy, childbirth, or related medical conditions, which is covered by pregnancy disability leave. (Pregnancy disability counts toward only California Pregnancy Disability Leave (PDL) and FMLA leave.)
- 22.8.3.5 Because of any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a U.S. National Guard or Reserve member on active duty (or has been notified of an impending call or order to active duty status) in support of a contingency operation (FMLA only).

The twelve (12) month period for FMLA/CFRA purposes is determined by a "rolling" twelve (12) month period measured backwards from the date an employee first uses FMLA/CFRA leave.

22.8.4 Family Care and Medical Leave to Care for a Covered Service Member With a Service Injury or Illness

Subject to the provisions of this MOU, County policy, and State and Federal law, including the FMLA, an eligible employee may take FMLA leave to care for a covered servicemember with a serious injury or illness if the employee is the spouse, child, parent, or next of kin of the servicemember. This 12 month period used under FMLA/CFRA to determine sick leave eligibility is separate from the "annual period" defined in 22.3.1)

- 22.8.4.1 An eligible employee's entitlement under Section 22.8.4 is limited to a total of twenty-six (26) workweeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness. The "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this begins on the first day an employee takes leave to care for the covered servicemember.

22.8.4.2 During the “single 12-month period” described above, an eligible employee’s FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reason.

22.8.5 Paid Status and Benefits

22.8.5.1 Except as provided in this Article, the family care and medical leave will be unpaid. The County will, however, continue to provide County contributions toward the health plan premium during the period of family care and medical leave for up to twelve (12) work weeks on the same basis as coverage would have been provided had the employee not taken family care and medical leave. The employee will be required to continue to pay the employee’s share of premiums payments, if any.

22.8.5.2 Nothing in this Section shall preclude the use of medical or pregnancy disability leave in Section 18.6.1 (Medical/Pregnancy Disability Leave) when the employee is medically incapacitated or disabled. If an employee does not qualify for continued benefits under this Section 22.8 or Section 18.6.1 (Medical/Pregnancy Disability Leave) and the employee wishes to continue benefit coverage, then Section 18.6.2 (Continuation of Health Benefits Coverage) applies.

22.8.6 Relationship of Family Care and Medical Leave to Other Leaves

Any leave of absence that qualifies as family care and medical leave and is designated as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the employee may be entitled for the same qualifying reason. Section 22.8.14 identifies accrued paid leave which an employee may be required to use concurrently with unpaid family care and medical leave.

22.8.7 Relationship to Pregnancy Disability Leave

The family care and medical leave provided under this Section is in addition to any leave taken on account of disability due to pregnancy, childbirth, or related medical conditions for which an employee may be qualified under state law.

22.8.8 Notice to the County

22.8.8.1 The employee must provide written notice to the County as far in advance of the leave as possible and as soon as the employee reasonably knows of the need for the leave. If the need for the leave is foreseeable based on an expected birth, placement of a child for adoption or foster care or planned medical treatment, the notice must be provided at least 30 calendar days in advance of

the leave, or if not reasonably known 30 calendar days before the leave, then as soon as reasonably practicable.

22.8.8.2 The written notice must inform the County of the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

22.8.8.3 The employee shall consult with the County and make a reasonable effort to schedule any planned medical treatment or supervision so as to minimize disruption to department operations.

#### 22.8.9 Medical Certification

22.8.9.1 An employee's request for family care and medical leave to care for a child, a spouse, or a parent who has a serious health condition shall be supported by a certification issued by the health care provider of the individual requiring care. If additional leave is required after the expiration of the time originally estimated by the health care provider, the employee shall provide the County with recertification by the health care provider.

22.8.9.2 An employee's request for family care and medical leave because of employee's own serious health condition shall be supported by a certification issued by the employee's health care provider.

22.8.9.3 As a condition of an employee's return from leave taken because of the employee's own serious health condition, the employee is required to obtain certification from the employee's care provider that the employee is able to resume work.

22.8.9.4 Employees are required to use the medical certification forms available from the County Human Resources Department to meet the certification and recertification requirements of this Section.

#### 22.8.10 County's Response to Leave Request

It is the County's responsibility to designate leave, paid or unpaid, as family and medical leave-qualifying and to notify the employee of the designation.

#### 22.8.11 Dual Parent Employment

Where both parents are County employees, allowable leave for the birth, adoption, or foster care placement of a child or the care of an employee's ill parent is limited to a total of twelve (12) work weeks in a 12-month period between the two employees. Their family care and medical leave entitlement is not limited or combined for any other qualifying purpose.

22.8.12 Employee’s Status on Returning From Leave

Except as provided by law, on return from family care and medical leave, an employee is entitled to be returned to the same or equivalent position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee has no right to return to the same position. Use of family care and medical leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee’s FMLA/CFRA leave.

22.8.13 FMLA/CFRA Procedures, Definitions, and Forms

A description of the required process and procedures to follow for intermittent leave and reduced leave schedules, forms to use when requesting family care and medical leave, and applicable definitions are included in the County Medical Leave Policy and found on the County Human Resources Department website, and are available from the Human Resources Department. Employees who are applying to or participating in the PORAC Group Disability Plan (STD/LTD) are only required to comply with the PORAC plan’s requirement of personal leave time.

22.8.14 Leaves of Absence Without Pay Usage Reference Table

Employees will be required to use accrued paid leaves before a leave of absence without pay as shown in the following table:

This Section 22.8.14 shall be interpreted as the legal minimum family care and medical leave available to eligible employees. The County may grant additional leave without pay under this Section (22.8.14) provided it is consistent with the applicable provisions of the Sonoma County Civil Service Rules, County leave policies, and other provisions of this memorandum.

## 22.9 Paid Parental Leave

### 22.9.1 Eligibility

Effective 10/1/18, any permanent or probationary employee who has been continuously employed by the County for at least 12 months prior to the start of the leave shall be eligible for Paid Parental Leave (PPL) to use within 12 months of the following events:

- Birth of a child of the employee, the employee’s spouse, or the employee’s domestic partner
- Placement of a child with the employee’s family for adoption or foster care

For purposes of PPL, the definition of “parent” and “child” are as defined by the California Family Rights Act.

### 22.9.2 Benefit and Use

Eligible employees shall be granted 320 PPL hours to use within 12 months of the qualifying event. Part-time employees shall be eligible for a pro-rated number of PPL hours, based on allocated FTE.

PPL is based on a rolling 12 month calendar. No more than 320 PPL hours may be used in any 12 month period.

PPL is based on the employee's hourly wage plus cash allowance. It is considered "paid status" for the purpose of merit, seniority, premiums, vacation and sick leave accrual, and County benefit eligibility and contributions.

PPL is pensionable and counts towards retirement service credit.

PPL may be used in a block of continuous time or as intermittent leaves arranged in advance. Unless approved by the Director of Human Resources, PPL cannot be used retroactively.

Use of PPL shall not be cause for an employee to lose their current assignment on a permanent basis; however, assignments may be altered to accommodate the employee's or department's operational needs when working a reduce schedule.

An employee in a disability period following birth of a child must use sick leave down to 40 hours before using PPL.

### 22.9.3 Coordination of Benefits & Leaves

PPL can be fully integrated with any short-term disability or California Paid Family Leave program. STD and PFL will not reduce PPL leave entitlement. For time covered by FMLA/CFRA job protected leave for bonding, PPL must be used prior to other accrued leave or Leave Without Pay. If an employee has exhausted FMLA/CFRA entitlements for reasons other than bonding, PPL must be used prior to Leave Without Pay for arranged leaves for the purpose of bonding. PPL does not need to be used when an employee is on leave for reasons other than bonding. To the extent FRA leave is available, it will run concurrently with PPL.

### 22.9.4 Implementation

For qualifying events occurring after 10/1/2017, PPL may be applied to any remaining CFRA eligible bonding hours still available to the employee after the program effective date.

## **ARTICLE 23 – COMPASSIONATE LEAVE & DISASTER LEAVE**

### 23.1 Compassionate Leave

With respect to this Article, the term "spouse" shall also include domestic partner. A full-time or part-time employee may be granted up to three (3) of the employee's regular work days of leave with pay, in the event of death of the employee's spouse,

child, stepchild, child's spouse, sibling, sibling's spouse, grandparent, great-grandparent, grandchild or person who served as a parent to the employee when the employee was a minor, and the parent of the employee or of the spouse of the employee. Where travel in excess of three hundred (300) miles one way from the employee's residence is required, up to an additional two (2) of the employee's regular work days of sick leave may be used to supplement compassionate leave.

### 23.2 Disaster Leave

When there has been a natural disaster of a magnitude that requires the Board of Supervisors to proclaim a County State of Emergency, the County will enact this disaster leave provision.

During the proclaimed emergency period and for up to one year from the terminator of the said proclamation, County employees may donate accrued compensatory time and vacation leave to other County employees who have lost work time because they have been a victim of a disaster affecting their primary residence. For up to one year from the termination of the said proclamation, impacted employees may use up to 320 hours of donated leave. Such donated time will not exceed the total amount of time lost by the receiving employee including vacation, compensatory time used and any unpaid leave incurred. Unused donated time at the expiration of the leave provision period will be returned to the donor. The County will develop administrative process necessary to implement this provision in accordance with the intent of the language above. The program will be administered consistently County wide. The terms and implementation of this Section may not be grieved through the grievance procedure of the MOU between the parties. Except as specifically provided herein, it is agreed and understood that SCLEA voluntarily and unqualifiedly waives its right to and releases the County from any additional obligation to meet and confer on any subject or matter contained in this Section.

## **ARTICLE 24 – NON-DUTY COURT LEAVE**

These provisions do not apply to an employee whose appearances are in the line of duty. A full-time or part-time employee is entitled to a leave of absence with pay at the employee's base hourly rate to respond to an enforceable subpoena to appear in a court or administrative agency hearing in California other than as a litigant and for reasons other than those caused by the employee's connivance or misconduct. An employee may retain such payment as may be allowed the employee for lodging, meals and travel, but as a condition for entitlement to this Court Leave, the employee shall make payable to the County of Sonoma any and all fees which the employee may receive as payment for the service as a witness. An employee on Court Leave will receive the employee's base hourly rate of pay for those hours spent traveling to and from the court or administrative agency hearing and the hours spent attending to the employee's obligation as a witness so long as those hours correspond to the employee's assigned work schedule. Time spent as a witness or travel time which are outside the employee's assigned work schedule shall not be paid. If an employee's obligation as a witness expires on any work day with time remaining on the employee's work schedule, the employee will be obligated to return to work.

## **ARTICLE 25 – JURY DUTY**

It is the policy of the County of Sonoma that County employees be encouraged to perform service as jurors when summoned for jury duty by a court of competent jurisdiction. Any employee, whether on day, swing, or night shift, summoned for jury duty shall be entitled to a leave of absence with full pay for such period of time as may be required to attend the court in response to such summons. An employee may retain such payment as may be allowed for travel but shall make payable to the County of Sonoma any and all fees which the employee may receive in payment for service as a juror.

## **ARTICLE 26 – NO BREAK IN SERVICE**

No absence under any paid leave provision of this Memorandum shall be considered as a break in service for any employee who is in paid status during each absence. All benefits which, under the provisions of the Memorandum, accrue to employees who are in paid status shall continue to accrue during such absence. A break in service is defined as occurring upon resignation or termination.

## **ARTICLE 27 – VOTING**

When an employee's actual work schedule prevents the employee from voting in any State, County or General election, then the employee may be granted paid time off duty to vote.

## **ARTICLE 28 – EMPLOYMENT IN MORE THAN ONE POSITION**

Except for working elections as provided by resolution of the Board of Supervisors, no person employed in a full-time position with the County of Sonoma may be employed by the County of Sonoma in any other full-time, part-time or Extra Help position, nor shall any person be employed by the County in two (2) or more part-time or Extra Help positions which will, in combination, provide for more than eighty (80) hours of regularly scheduled work in any one bi-weekly pay period.

## **ARTICLE 29 – STAFF DEVELOPMENT**

### **29.0 Staff Development**

The County shall retain its authority to determine training needs, resources that can be made available, and the method of payment for training authorized by the County. Nothing in this Section 29 shall preclude the right of an employee to request specific training.

### **29.1 Staff Development and Wellness Benefit Allowance Program**

The Department of Human Resources shall develop, modify, implement and administer administrative/programmatic guidelines to remain in compliance with IRS regulations, based on the online Staff Development and Wellness Benefit Reimbursement Allowance Program guidelines.

Full-time and part-time (.40 FTE and above) employees in regular allocated positions are eligible for the Staff Development and Wellness Benefit Allowance and may request reimbursement for allowable expenses and as defined in the online Staff Development and Wellness Reimbursement Allowance Program guidelines.

**29.1.1 Staff Development and Wellness Benefit Allowance – Amounts**

As specified in the chart below, full-time and part-time eligible employees shall be entitled to the following annual benefit amounts each fiscal year:

<b>Bargaining Unit</b>	<b>Full Time Allowance</b>	<b>Part-Time Allowance</b>
Non-supervisory (0030,0040)	\$850	\$425
Supervisory (0041, 0070)	\$940	\$470

The Staff Development Funds may be used towards reimbursement for purchase of computer hardware and mobile devices as set forth in the online Staff Development Program guidelines. Unused funds may not be carried over into the next fiscal year. Use of funds are subject to the online Staff Development Program guidelines and may be taxable pursuant to the Internal Revenue Code.

**29.2 Wellness Benefit**

The total annual maximum Staff Development and Wellness Benefit Reimbursement Allowance allowed under Section 29.1 is available for wellness related taxable expenses. Employee enrollment in any Physical Fitness/Wellness program shall be voluntary.

An eligible employee may request reimbursement for allowable Wellness expenses as defined in the online Staff Development and Wellness Benefit Reimbursement Allowance guidelines.

SCLEA Members’ unused staff development/wellness funds as of July 1 of the new fiscal year, will automatically be donated to the equipment and equipment maintenance fund for the two workout rooms located in the Sheriffs’ Department facilities not to exceed a total fund maximum of \$35,000 per workout room site. If additional sites are added, funds for equipment and equipment maintenance for those sites would be set aside as well, up to the total fund maximum of \$35,000 per site. If the County approves a workout room for Probation Department employees, SCLEA represented employees in the Probation Department will be authorized to contribute \$50 or more from the Staff Development and Wellness benefit to voluntarily share in the costs of equipment and equipment maintenance for the workout room.

29.2.1 A joint labor-management committees oversees the equipment purchase and maintenance, and allocation of funds to each site.

29.2.2 All equipment purchased pursuant to this Section 29.3 becomes the property of the County.

29.3 Non-Grievable

Article 29 shall not be grievable (see appeal process in County Staff Development Program document).

**ARTICLE 30 – GRIEVANCE PROCEDURE**

30.1 Purpose

The County and Association agree to this Grievance Procedure in order to provide an orderly procedure to resolve employee grievances promptly. This procedure shall become available for grievances which occur after the Board of Supervisors adopts a resolution implementing this Memorandum.

Appendix B contains the Departmental Grievance Procedure, used for complaints concerning alleged violations or misapplications of one or more written departmental policies.

30.2 Definitions

- a. A grievance is a claim by an employee, a group of employees, or the Association on behalf of an employee(s), concerning the interpretation, application or an alleged violation of an expressed provision of this Memorandum. All other complaints are specifically excluded from this procedure including but not limited to, complaints which arise from the following: all disciplinary actions; all matters concerning employment examinations; all other matters subject to the jurisdiction of the Civil Service Commission; performance review appraisals or denial of a merit increase, except as provided in Section 7.19; provisions of the Fair Labor Standards Act; and any provision of this Memorandum specifically identified as not grievable.
- b. “Day” shall mean regular County business days, Monday through Friday, 8 a.m. to 5 p.m.
- c. A “grievant” shall mean an employee, a group of employees or the Association who in good faith has an actual grievance with the County over a grievable matter as defined in Section 31.2 above. The Association may file a grievance without naming an individual employee in the grievance provided the grievance alleges a violation of a right or benefit granted the Association under Article 5 of this Memorandum.

30.3 Representation

At any step of the grievance procedure, the employee may represent themselves, or may be represented by an Association representative who may be a County employee or a non-County employee.

#### 30.4 Initiation Deadline

The grievance must be initiated within ten (10) days from the date of the action or occurrence giving rise to the grievance, or within ten (10) days of when the grievant knew of or could have reasonably discovered such action or occurrence.

#### 30.5 Time Limits

Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing. Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.

#### 30.6 First Step

The grievance shall first be discussed on an informal basis by the grievant with the employee's immediate supervisor within ten (10) days from the date of the action causing the grievance as provided above. The immediate supervisor shall respond within ten (10) days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held whenever possible during the grievant's work hours.

#### 30.7 Interest Based Intermediary Step – Optional

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant may request in writing that the County Human Resources Department participate in an effort to resolve the grievance through an interest-based, non-positional approach to problem solving.

If the employee indicates this preference in writing, the prescribed time parameters are suspended while representatives of the Association, the affected department and the Human Resources Department meet in an attempt to resolve the grievance.

If the parties agree to use an alternative process, the time parameter for resolution is twenty-one (21) days from the time it is agreed to use the alternative resolution process.

If the parties agree to suspend the optional process or the process is not successful after twenty-one (21) days, then the process will move to the Third Step (Department Head) level of this grievance procedure.

#### 30.8 Second Step Grievance

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant shall submit the grievance in writing, with a copy to the County's Employee and Labor Relations Manager, to the immediate supervisor and the

Association within five (5) days after receipt of the immediate supervisor's response. The written grievance shall:

- a. Fully describe the grievance and how the grievant is/was adversely affected by the County;
- b. Set forth the specific Section(s) of this Memorandum allegedly violated;
- c. Indicate the date(s) of the incident(s) grieved; and
- d. Specify the remedy or solution to the grievance sought by the grievant.

### 30.9 Second Step Response

The written grievance shall be responded to in writing by the immediate supervisor within seven (7) days from the time the written grievance is received. The supervisor shall send a copy of the response to the Employee and Labor Relations Manager and to the Association. The written response shall include:

- a. A complete statement of the immediate supervisor's position and the facts upon which it is based; and
- b. The remedy or correction which has been offered, if any.

Upon receipt of the Step Two response by the Association, the Association has seven (7) days to respond and preserve its rights.

### 30.10 Third Step Grievance

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the next higher level of supervision (identified by the Department Head) and to the Department Head, with a copy to the Employee and Labor Relations Manager, within seven (7) days after receipt of the written response at Step Two or termination of the Interest-Based Problem Resolution Process.

### 30.11 Third Step Response

After receiving the completed grievance appeal form, the person occupying the next higher level of supervision together with the Department Head, or representative, shall meet with the grievant and thoroughly discuss the grievance. The Department Head shall give a written decision to the grievant within fifteen (15) days after receiving the completed grievance appeal form and send a copy of the decision to the Employee and Labor Relations Manager and to the Association.

### 30.12 Mediation

Prior to an arbitration hearing, the parties may mutually agree to request the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by written agreement of the Association and the County. In the event the grievance is not resolved, neither

stipulations, admissions, settlement proposals nor concessions agreed to or offered during mediation shall be admissible in a subsequent hearing.

### 30.13 Arbitrable Grievances

A grievance which directly and primarily involves the application, alleged violation, or interpretation herein, except as otherwise provided in this Memorandum, is arbitrable. If the grievance is submitted to arbitration by the Association, neither offers of settlement nor concessions for settlement made during the grievance procedure steps prior to mediation shall be admissible in arbitration.

Following the Third Step of the grievance procedure provided herein, if the grievance is subject to arbitration and remains unresolved, the Association on behalf of the grievant may request arbitration. The request for arbitration must be given to the County Counsel and the Employee and Labor Relations Manager, in writing, within fifteen (15) days of the receipt of the response from Step Three.

Within fourteen (14) days of submitting a written request for arbitration, the Association and the County shall begin the process for selecting an arbitrator and scheduling a hearing date. An extension of the fourteen (14)-day timeline must be requested in writing by either party and agreed upon by both parties. Failure to comply with the timelines set forth in this Section or other timeline mutually agreed upon by the parties shall immediately terminate the grievance and all rights provided under the grievance procedure.

### 30.14 Selection of Arbitrator

The arbitrator may be selected by mutual agreement of the Association and County. Should the parties fail to mutually agree on an arbitrator, they shall make a joint request of the State Mediation and Conciliation Service for a list of five qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the first strike determined by chance.

### 30.15 Arbitration Issues

The parties shall, within twenty-one (21) days following the receipt of a written request for arbitration, exchange in writing their understanding of the questions to be submitted to arbitration. Thereafter, the parties to the arbitration shall use their best efforts to exchange a written summary of the evidence they intend to offer and to reach agreement on and reduce to writing the question or questions to be submitted to arbitration. The agreed upon question or questions, if agreement is reached, together with the exchanged summaries of evidence and a list of witnesses to be used by each side, shall be submitted to each other and the arbitrator five (5) days prior to the arbitration hearing.

### 30.16 Arbitrator's Authority

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Memorandum. They shall consider and make a decision with respect to only the specific issue submitted, and shall have no authority to make a decision

on any other issue not so submitted. In the event the arbitrator finds a violation of this Memorandum, they shall fashion an appropriate remedy. The arbitrator shall have no authority to substitute their judgment for that of the County as to any matter within the County's discretion under this Memorandum. The decision and award of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties.

30.17 Binding/Non-Binding Decision

The decision of the arbitrator rendered consistent with the terms of this Memorandum shall be binding upon the Association. To the extent that the award of the arbitrator is not in excess of \$5,000 per individual grievant, it is binding on the County. To the extent that such award exceeds \$5,000 per individual grievant, it is advisory. If within sixty (60) days of receiving notice of the decision and award requiring an expenditure in excess of \$5,000 per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of \$5,000 per individual grievant. The Association may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum. If the Association is the grievant, then the \$5,000 limit shall apply to each employee who has been identified by the Association and sustained by the arbitrator as employees directly affected by the grievance and the remedy sought and imposed.

30.18 Arbitrator's Decision Due

Unless the parties agree otherwise, the arbitrator shall render the decision in writing within thirty (30) days following the close of the hearing. The decision of the arbitrator is final. If requested by either party, the decision shall be accompanied by findings of fact and conclusions of law.

30.19 Arbitration Expenses Shared

The cost of employing the arbitrator shall be borne equally by the parties to the arbitration. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

**ARTICLE 31 – CLASSIFICATION INFORMATION**

31.1 Copies of Classification Studies

For affected employees in the Bargaining Units covered by this Memorandum of Understanding, the County agrees to provide the Association with complete copies of all final classification studies and reports going to the Civil Service Commission at the same time or, if possible, before such agenda reports are sent to the Civil Service Commission.

### 31.2 Meet and Confer Obligation

Before the Board of Supervisors establishes the salary scale for any new class represented by the Association, the County shall offer to meet and confer in good faith without any mediation with the Association for up to thirty (30) calendar days on an appropriate salary scale for the new class.

### 31.3 Classification Study – Welfare Fraud Investigator

After completion and submission of the Class Study Request Form to Human Resources, Human Resources will conduct a classification study of the Welfare Fraud Investigator classification to ensure the classification specification accurately reflects the work being performed and that the positions are appropriately classified. The County will use the services of a classification consultant to complete the work. For the Welfare Fraud Investigator classification study only, the County will forward to the classification consultant any supporting documentation or input provided by SCLEA concurrently with the Class Study Request Form. Consistent with the current practice when using consultants, the work will be reviewed and approved by County Human Resources prior to a final draft being released to the incumbents. The County will meet all legal meet and confer obligations with regards to classification studies. The parties agree that the classification study will commence within 90 days of County Human Resources' receipt of the Class Study Request Form and any supporting documentation or input provided by SCLEA concurrently with the Class Study Request Form. If all parties meet the agreed upon timelines established at the commencement of the study, the classification study report will be released by Human Resources within one year of commencement of the classification study. If unique or compelling circumstances arise with any of the parties involved (SCLEA, incumbents, County, or HSD Management) that cause the timeline established at the commencement of the study to become unfeasible, the parties agree to meet and confer to establish an amended timeline.

## **ARTICLE 32 – LABOR/MANAGEMENT MEETINGS**

### 32.1 Matters of Mutual Interest

The County and the Association shall meet for consultation purposes on matters of mutual interest which would serve constructive purposes to prevent or eliminate grievances or on matters affecting employee health or safety. Such meetings may be called by the Association President, or designee, and the County's Employee and Labor Relations Manager. "Consultation" shall not be construed as an obligation to "meet and confer" under the Meyers-Milias-Brown Act.

### 32.2 Written Notice

Written notice of topics for discussions shall be exchanged prior to any such meeting. The meeting shall be scheduled at a time and place mutually convenient to the parties.

### 32.3 Participation

The number of employees who will participate in the meeting without loss of pay to the extent the meeting occurs during an employee's scheduled duty period shall be reasonably related to the subject being discussed and shall be mutually agreed upon by the County and the Association.

### 32.4 Joint Training on Memorandum

The parties agree to jointly present informational training on this Memorandum of Understanding to affected supervisors and managers. The details of the training shall be mutually agreed upon by the Association and the County. The parties intend to conduct the training session(s) within ninety (90) days from the date this Memorandum is implemented by the Board of Supervisors.

### 32.5 Labor/Management Committees – Valley of the Moon Children's Home and Juvenile Hall

The County and the Association support the creation of labor/management committees for problem solving and communication.

The parties agree to form ad hoc committees to address local issues at the Valley of the Moon Children's Home and Juvenile Hall. Such committee(s) will be comprised of no less than two (2) and no more than four (4) representatives each from management and from labor, including line and supervisory staff. An Association representative may attend meetings as a non-voting ex officio member. Committee participants have equal standing and will utilize interest-based problem-solving processes whenever possible. Any Committee recommendations will be forwarded to the Division Manager and Department Head for consideration and response.

## **ARTICLE 33 – NO STRIKE**

### 33.1 Full Performance of Duties

A material inducement in the County's execution of this Memorandum is the Association's representation that the employees it represents will loyally and fully perform their respective duties in an efficient manner so as to provide maximum service to the public, and that the Association will fully perform its obligation owed to the County.

### 33.2 Prohibited Activities

Accordingly, the Association and the employees it represents agree not to engage in any prohibited activities during the term of this Memorandum, including but not limited to, work stoppages, strikes (including sympathy strikes), slowdown, sick-ins, or other such concerted activities against the County. Employees who engage in such prohibited activities may be subject to prompt and severe discipline up to and including discharge, subject to due process pursuant to the County's Civil Service Rules.

### 33.3 Association Responsibilities

The Association shall not be liable to the County for “wildcat” job action by the employees it represents. The Association shall use its best efforts to prevent any such “wildcat” job action and shall encourage its members, at the earliest possible time, to discontinue the job action; immediately declare in writing and delivered to the County and publicize that such job action is a violation of the Memorandum of Understanding and unauthorized; and direct its members in writing to cease such conduct and resume work.

### 33.4 Written Assurance

This promise by the Association is both a covenant and a condition precedent to the continuing performance by the County of any obligation whatsoever owed by the County to the Association or the employees it represents during the terms of this Memorandum. If the County is at any time uncertain of the Association’s continued performance, it may demand, and the Association will provide written assurance of its continued good faith performance of this Memorandum.

### 33.5 No Lockout

The County agrees that it will not cause a “lockout” of employees during the term of this Memorandum. The parties agree that the term “lockout” does not apply to a layoff consistent with the rules of the Civil Service Commission nor to job-related discipline.

## **ARTICLE 34 – FULL UNDERSTANDING, MODIFICATION, ACKNOWLEDGMENT**

### 34.1 Full Understanding

This Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein.

All other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

### 34.2 Acknowledgment

Except as provided herein, it is agreed and understood that the parties have met and conferred in accordance with their obligations under State law and the County’s Employee Relations Policy in reaching this agreement and neither party shall be obligated to meet and confer over any provision of this agreement during its term.

### 34.3 Meet and Confer During Term of Memorandum

a. If the County proposes during the term of this Memorandum to adopt a policy or course of action on matters within the scope of representation as defined by State law that are not covered by this Agreement, it will provide the Association with written notice of the proposed policy or course of action and offer to meet and confer

over the proposal in accordance with State law, the County's Employee Relations Policy (ERP), and with the provisions provided in (c) below.

- b. The County and Association agree to meet and confer in accordance with State law, the ERP, and the provisions provided in (c) below if the County's proposal(s) include matters within the scope of representation in one (1) or more of the following matter:
  - 1. The assignment of groups of employees to work hours, work shifts and/or work schedules. An example of such a change would be if the County proposed to change the work schedule of employees in the Sheriff's Detention Division from a 4/10 to a 5/8 schedule.
  - 2. The assignment of employees between departments as a result of reorganization or a change in the mission or program of the department(s) involved.
  - 3. The use and assignment of County vehicles and/or personal vehicles of employees for work-related purposes.
- c. The provisions of this subsection (c) apply to the meet and confer process applicable to County proposals on matters within the scope of representation as described in Subsections (a) and (b) above.

The County will provide written notice to the Association describing the proposed change. Upon request of the Association, the County will provide all relevant information it has pertaining to the proposal as required by the MMBA.

The Association will have up to fifteen (15) calendar days from when it received the notice to inform the County in writing if it desires to meet and confer over the proposal. If the Association fails to notify the County within the fifteen (15) days, the County may implement the proposal without any further obligation to meet and confer with the Association.

If the Association notifies the County within fifteen (15) calendar days of its desire to meet and confer, then the County and the Association shall meet and confer in good faith over the proposal and all identified impacts arising from the proposal.

Unless extended by mutual written agreement of the parties, the pre-impasse period for meeting and conferring pursuant to this Section 34.3 shall be thirty-five (35) business days from when the Association was properly notified of the proposal by the County. If an agreement is not reached by the thirty-fifth (35<sup>th</sup>) business day from the date the Association was notified, either party may declare an impasse by filing with the other party a written declaration of impasse and request for an impasse meeting, together with a statement of its position on all disputed issues. An impasse meeting shall then be held within two (2) business days, at which time the County shall present an impasse statement including the proposal that it proposes to implement after the completion of the post-impasse process required by law and this Section 34.3 should further discussions fail to produce an agreement.

If an agreement is not reached at the impasse meeting, the dispute shall be submitted to mediation. If the parties fail to resolve the dispute through mediation within the timelines set forth in the MMBA, , the matter may be submitted to “fact finding” In accordance with the provisions and timelines of the MMBA. Section 34.3.b(2) is not subject to the grievance procedure of this agreement (Article 30) in any way except for an allegation that the County failed to provide the required notice or acted to implement the change before the procedures required by this Section were completed. Any ruling by an arbitrator under this Section 34.3.b(2) that is adverse to the County shall be limited to ordering the County to comply with the notice and/or time limits specified above.

34.4 Written Modifications Required

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the Association and the County, unless made and executed in writing by the parties, and if required, approved and implemented by the Board of Supervisors.

34.5 No Limitation on Authority of Civil Service Commission

Nothing in this Agreement shall be construed to limit or remove the existing or future jurisdiction or authority of the Civil Service Commission as provided in Ordinance No. 305-A as amended, or as provided in the Rules adopted there under.

34.6 Non-Precedence

The waiver of any breach, term, or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

34.7 Side Letters

All side letters or other agreements not attached to or incorporated into this Agreement are no longer valid. This MOU constitutes the entire agreement between the Association and the County.

**ARTICLE 35 – ASSOCIATION SECURITY**

35.1 Payroll Deductions and Written Authorization

The County agrees to deduct the periodic payroll deductions from the paycheck of each employee who the Association certifies as authorizing the deduction. All sums deducted by the County will be remitted to the Association in an expedient manner at the intervals requested by the Association, together with the names of each employee for whom a deduction was made.

The County will implement any change to an employee’s payroll deductions in the first full pay period following notification of such change by the Association.

If an employee member in the bargaining unit desires to revoke, cancel or change prior dues deduction authorization, they will direct that request to the Association. Any such dues deduction revocation, cancellation and/or change will be effectuated by the County only after the Association provides the County with written direction for such revocation, cancellation and/or change.

The Association will indemnify and hold the County harmless for any claims and/or damages arising from claims by employees resulting from such deductions.

### 35.2 Certification of Association Membership

All employees in the bargaining unit represented by the Association may voluntarily join the Association and pay dues, initiation fees and general assessments, as well as payment of any other Association membership benefit program sponsored by the Association (hereafter referred to as “payroll deductions”) as determined by the Association. It is the responsibility of the Association to maintain a record of employees who have given their written consent to join and pay dues to the Association. The Association will certify to the County the names of employees who have given their written consent and the amount of such payroll deductions to be deducted.

### 35.3 Separation from Unit Exception

The provision of Sections 35.1 and 35.2 shall not apply during periods of separation from the eligible bargaining unit by any employee otherwise subject to those provisions but shall reapply to such employee following the return of the employee to the bargaining unit. The term “separation” includes layoffs, transfer out of the covered bargaining units by request, promotion, demotion, reclassification or for any other lawful reason, and unpaid status, all of a duration of more than one (1) full pay period.

### 35.4 Notice of New Employees

- a. To the extent the information is available, the County shall provide the Association with the names, addresses, personal email addresses and telephone numbers of all new employees coming into the relevant bargaining units during each subsequent pay period.
- b. The names and addresses provided the Association shall be kept confidential.

### 35.5 Indemnification

The Association shall comply with all statutory and legal requirements with respect to this article.

## **ARTICLE 36 – INVALID SECTIONS**

### 36.1 Invalid Sections

If during the term of this Memorandum, any item or portion thereof of this Memorandum is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction, or if compliance with or

enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this Memorandum shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Memorandum shall not invalidate any remaining portion which shall continue in full force and effect.

36.2 Separability

In the event of suspension or invalidation of any Article or Section of this Memorandum of Understanding, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

**ARTICLE 37 – DISTRIBUTION OF MEMORANDUM OF UNDERSTANDING  
AND ENACTMENT**

37.1 Distribution

The parties agree that the County shall have this Memorandum available on-line at the County's inter-net and intra-net site.

37.2 Enactment

County and Association agree that any policy, procedure, rule regulation, benefit, premium pay or other form of compensation including salary that is changed or modified by the terms and conditions of this Memorandum of Understanding is hereby repealed in its entirety, and that this Memorandum is in full force and effect on the date the Board of Supervisors approves it. **APPENDIX B**  
**DEPARTMENTAL GRIEVANCE PROCEDURE**

The following grievance procedure is available to employees in the Law Enforcement and the Corrections/Probation Supervisory and Non-Supervisory Bargaining Units represented by the Sonoma County Law Enforcement Association.

Section 1.     **DEFINITIONS:**

- (a) **GRIEVANCE.** A grievance is a complaint by an employee, a group of employees, or by either the Sonoma County Law Enforcement (herein after, the “Association”) on behalf of an employee(s) (all herein after referred to as a “grievant”) represented by the Association concerning an alleged violation or misapplication of one or more of the written departmental policies affecting an employee’s terms and conditions of employment and within the scope of representation as defined by Government Code 3504 and the County’s Employee Relations Policy. All other matters are excluded from the definition of grievance and from this grievance procedure, including but not limited to:
  - (1) Complaints concerning matters which are specifically covered by an existing Memorandum of Understanding (MOU) covering the grievant whether or not they are subject to any grievance or dispute resolution procedure there under;
  - (2) complaints, the resolution of which would require a change in or an amendment to law, ordinance, or the resolutions, rules or regulations of the Board of Supervisors;
  - (3) discrimination complaints which are subject to the County’s Equal Opportunity Discrimination Complaint Procedure;
  - (4) dismissals, suspensions, and reductions in rank or compensation; and
  - (5) in addition to (4), above, all other matters appealable under the Civil Service Ordinance and/or the Rules of the Civil Service Commission.
- (b) **GRIEVANCE PROCEDURE.** This grievance procedure is the method by which a grievant may seek management action to relieve or eliminate the grievance as defined above.
- (c) **GRIEVANCE APPEALS COMMITTEE.** A Grievance Appeals Committee of three members shall be a forum for consideration of grievances. Committee members shall be composed as follows:
  - (1) One person selected by the Association representing the grievant.
  - (2) The Director of Human Resources or designee.

(3) The third member of the Committee shall be mutually selected by the first two Committee members chosen by the grievant and the Human Resources Director. The third member of the Committee must be so selected within ten (10) days of the day the first two members were selected. If the first two Committee members are unable to agree upon a selection, then the first two Committee members shall strike names off of a list of the current members of the County Civil Service Commission until only one name remains, who shall be the third member of the Committee. The order of striking shall be determined by a coin toss. No Committee member may be selected who is employed in the department in which the grievant is employed. Committee members shall select a chairperson. The Human Resources Department shall provide secretarial services to the Committee. The Committee shall meet on call of its chairman and with mutual agreement, as to date and time of the meeting, among the grievant, the Department Head and the other Committee members. Deliberations of the Committee shall be informal, confidential and provide a full and fair hearing of the grievance and proposed solutions without formal rules of evidence or a stenographic or electronic recording of the proceedings.

(d) DAYS. The term “days” as used in this procedure shall mean regular County business days, Mondays through Fridays, from 8 a.m. to 5 p.m., but excluding formal County holidays or weekends.

Section 2. REPRESENTATION. An employee may be represented in any step of this grievance procedure by a representative of the Association which represents the grievant as a County employee. No member of the Grievance Appeals Committee may represent the grievant.

Section 3. DISCRIMINATION. No employee shall be subjected to discrimination, coercion, restraint, or reprisal by reason of good faith utilization of this grievance procedure.

Section 4. TIME OFF. Reasonable time off without loss of regular pay from normal County work duties shall be accorded to an employee for the purpose of presenting a grievance, representing the grievant in a grievance proceeding or serving as a member of the Grievance Appeals Committee subject to the condition that before leaving the employee’s usual duties the employee shall obtain the permission of the employee’s immediate supervisor. Such permission shall not be unreasonably withheld.

Section 5. INFORMAL GRIEVANCE PROCEDURE. It shall be the mutual responsibility of employees and management to endeavor to resolve grievances informally at the lowest practicable level of management. To this end, the grievant shall first present the grievance to the grievant’s immediate supervisor in an informal meeting within ten (10) days after the occurrence of the circumstances giving rise to the grievance or when the grievant first actually knew, or could have reasonably known of them. The grievant may request the meeting be held at any reasonable time, and the supervisor shall meet with the grievant as soon

as reasonably practicable after receipt of the request. In the meeting, the grievant and the supervisor shall review the grievance. The employee shall fully and fairly explain: the alleged action or inaction by the employee's department which caused grievance; the written departmental policy allegedly violated by the department; and the remedy the grievant believes will resolve the grievance. The parties shall cooperate in seeking a resolution of the grievance. If questions beyond the scope of the supervisor's authority or knowledge are involved, the supervisor may consult the supervisor's superiors or other County officers. The supervisor shall present an informal, oral decision with supporting reasons to the grievant within ten (10) days after the meeting.

Section 6. FORMAL GRIEVANCE PROCEDURE. An employee whose grievance is not satisfactorily resolved by the informal procedure may institute a formal grievance. The formal grievance shall conform to the following:

- (a) All formal grievances shall be in writing on the form appended to this resolution. A supply of forms shall be maintained in each department covered by this procedure and shall be readily accessible to all employees.
- (b) Within five (5) days after receipt of the supervisor's oral decision in the informal proceeding, the grievant may file a formal grievance on the form prescribed. The grievant shall provide the necessary information called for at the top of the form and in Steps I and II of the grievance form in clearly legible writing, printing, or typing. The grievant shall file the original form with the immediate supervisor.
- (c) The immediate supervisor shall meet with the grievant within five (5) days after filing of the grievance form for discussion of the formal grievance. The immediate supervisor shall complete "Supervisor's Decision" portion of the form and return it to the grievant within seven (7) days after their meeting. A copy of the supervisor's decision and attached grievance documents shall also be filed with the Human Resources Director.
- (d) The grievant may appeal the decision of the immediate supervisor by completing the first part of Step III of the grievance form and filing it with the next higher level of supervision (identified by the Department Head) and to the grievant's Department Head within seven (7) days after receipt of the supervisor's decision. The functions of the Department Head hereunder may be performed by the Department Head's duly authorized representative.
- (e) The person occupying the next higher level of supervision together with the Department Head, or representative, shall meet with the grievant within ten (10) days after filing of the appeal for discussion of the grievance. The grievant's Department Head shall complete the rest of the Step III "Department Head's Response" and return it to the employee within fifteen (15) days after such meeting. A copy of the Department Head's response and any attached grievance documents shall also be filed with the Human Resources Director.

- (f) The grievant may appeal the decision of the Department Head by filing a written request for such appeal to the Human Resources Director within fifteen (15) days after receipt of the Department Head's decision. The Human Resources Director shall immediately deliver a copy of the written appeal to the grievant's Department Head. The grievant shall within three (3) days of filing the appeal submit to the Human Resources Director the name of the Grievance Appeals Committee member selected by the grievant or the Association. The Human Resources Director shall select a Committee member to represent the Human Resources Director and then provide assistance as necessary to select the third Committee member in accordance with the selection process in Section 1(c), above. The grievant's written appeal shall provide full details of the facts of the grievance and why the Department Head's response did not satisfactorily resolve the grievance.
- (g) To the extent possible, the Grievance Appeals Committee shall schedule the appeal for hearing to occur not later than ten (10) days from the date all three members of the Committee are selected and shall forthwith notify the grievant and the grievant's Department Head of the time and place at which the appeal will be considered. The Committee may reach and announce its advisory decision at the close of the hearing or it may retire and deliberate in private before announcing its advisory decision. In order to be properly reached, an advisory decision by the Committee must be agreed upon by at least two (2) members, be in writing, and show both the findings of facts and reasoning of the decision. The Committee shall deliver, with proof of service, a copy of its advisory decision to the Department Head, the grievant, the Association and the Human Resources Director within ten (10) days after conclusion of the hearing.

The decision of the Grievance Appeals Committee shall be advisory and not be binding on the Department Head. The decision of the Grievance Appeals Committee may not be appealed further through any grievance or appeal process established for Sonoma County employees.

Section 7. ADDITIONAL RULES. This grievance procedure shall be subject to the following additional rules:

- (a) The time limitations herein specified may be extended only by written consent of the grievant and the Department Head. In the absence of such time extension, failure by a grievant to present the grievance or to appeal a decision within the time limits prescribed shall be deemed a resolution of the grievance. Failure of the management representative to meet with the employee or render a decision within the time limits herein specified shall justify appeal to the next step in the grievance procedure.
- (b) An employee shall include all current grievances in one grievance. To the degree practicable, grievances shall not be duplicated. If several employees in a single department wish to present grievances which are the same or substantially similar, those grievances shall be joined into one.

- (c) All meeting and hearings under this procedure shall be conducted in confidential and private sessions in order to protect the confidentiality of the matters under review.
- (d) Any dispute or question as to whether a particular complaint or grievance by an employee is covered under this procedure shall not be subject to determination by the Grievance Appeals Committee.

A “domestic partnership” shall exist between two persons, one of whom is an employee of the County, covered by this Memorandum of Understanding, regardless of their gender and each of them shall be the “domestic partner” of the other if they both complete, sign, and cause to be filed with the County an “Affidavit of Domestic Partnership” attesting to the following:

- a. the two parties reside together and share the common necessities of life;
- b. the two parties are not married to anyone, eighteen years or older, not related by blood closer than would bar marriage in the State of California, and mentally competent to consent to contract and are not acting under fraud or duress;
- c. the two parties declare that they are each other’s sole domestic partner and they are responsible for their common welfare;
- d. the two parties agree to notify the County in writing if there is a change of circumstances attested to the affidavit; and
- e. the two parties affirm, under penalty of perjury, that the assertions in the affidavit are true to the best of their knowledge.

Termination. A member of a domestic partnership may provide notice of the end of said relationship by filing a statement with the County. In the statement, the person filing must affirm, under penalty of perjury, that 1) the partnership is terminated and 2) a copy of the termination statement has been mailed to the other partner.

New Statements of Domestic Partnership. No person who has filed an affidavit of domestic partnership may file another such affidavit until six months after a statement of termination of the previous partnership has been filed with the County. This requirement does not apply if the earlier domestic partnership ended because of the death of either partner.

**RE: WELFARE FRAUD INVESTIGATOR VEHICLES**

**May 24, 2023**

This side letter of agreement by and between the County of Sonoma ("County") and the Sonoma County Law Enforcement Association ("Association"), hereinafter collectively called "the parties," confirm that effective 120 days following adoption of the MOU by the Board of Supervisors the Welfare Fraud Investigators are no longer authorized to retain sole possession of County issued vehicles. By the end of the 120-day period all Welfare Fraud Investigators shall return their County-issued vehicle(s). Subsequent authorization for vehicle usage will be predicated on County of Sonoma Administrative Policy Manual Section 5-1 Vehicle Use Policy and any other relevant County-wide or departmental policy. Prior to the end of the 120 days the Human Services Department will meet and confer with SCLEA over the impacts of this action.

This side letter is subject to and will be in effect during the term of the successor MOU.
