The Junior Human Rights Commission was founded in 2013. Our expectation is that the experience of working on the Junior Commission will both encourage participants to be involved in the day-to-day issues that affect their community and stretch the boundaries of their individual and collective exploration of the meaning and impact of human rights.

We believe that participation in the Junior Commission will:

- Produce a comprehensive understanding of the true meaning of *Human Rights*
- Bring a greater awareness of the day-to-day issues that affect their lives
- Create opportunities to develop communication and facilitation skills
- Empower participants to recognize and act in ways that make a positive impact on their schools, their families, their friends and their own self esteem
- Result in the knowledge that one individual truly can make a difference

Sonoma County high school students ages 14 through 18 are selected each spring to serve as Junior Commissioners for the following school year. Selection is based on a written application and an interview process.

On a separate piece of paper, please respond to the following questions:

1. Why do you want to be part of the Junior Commission?
2. What are your educational, personal, and career goals?
3. What talents, skills, and/or personal experiences will you bring to the Project?
4. What issues related to human rights are important to you?

Please indicate you are willing to commit to the following (please check the boxes):

- Attend monthly Junior Commission meetings – 3rd Thursday each month 4.30pm (meetings held at 2300 County Center Dr., Santa Rosa, 05403). Special orientation meeting is August 27, 2020.

- Participate in a community service event/project
- Attend an all-day field trip related to human rights issues or legislative issues
- Give input to the Commission regarding issues related to youth
